The National Constitution Center is the nation's leading platform for nonpartisan education and discussion about the Constitution. The Center brings together renowned historians, top scholars, public officials, and journalists to explore constitutional issues. Through interactive exhibits, live programs, and multimedia experiences, it brings constitutional history to life for visitors of all ages.

Features of the museum and pass:

- Valid for 2 adults and 4 youths under the age of eighteen
- 10 % discount in the Museum Store and Delegates' Cafe
- Featured galleries that bring the Constitution to life through multimedia displays, artifacts, and hands-on activities.
- Life-size bronze statues of the Founding Fathers, including George Washington and Benjamin Franklin

Check the Constitution Center's website for seasonal and holiday extended hours.
